### **dr Peter Reis**

is a Christian medical GP who has built up an extensive practice in The Hague. He is a well-known charismatic speaker in The Netherlands. Peter has recently retired from full-time work in his practice, which is now run by members of his family who are also doctors. The practice attracts a large number of Muslim patients who live in The Hague.

As well as his medical treatment of patients, Peter prays for the sick and teaches others to pray for those who need healing. He regularly travels to Africa and the Far East for the overseas mission that he set up some years ago. Peter has seen many miracles of healing occur in The Hague and overseas. Peter has a Pentecostal background but he is now a member of the Anglican Chaplaincy of St John and St Philip, in The Hague.

Peter will lead a Teaching Weekend from 27<sup>th</sup> - 29<sup>th</sup> October 2017 at St Mary's Cholsey. We warmly invite you to hear dr Reis, to learn how to pray for others and, if you so wish, to receive prayer for healing.

The weekend will begin with Peter introducing himself, his testimony and the weekend on the Friday evening. There will then be three teaching sessions on the Saturday between 10:30 am and 3:30 pm. Peter will preach at the main Sunday service at St Mary's Cholsey at 9.45am. Finally there will be an informal meeting with worship, questions and sharing at 6pm on Sunday evening. There will be ample opportunity for participants to gain experience in praying for healing and being prayed for.
